Holidays Without Hunger

Over the past 19 years, Meals of Hope has taken its signature food packing events across the country, helping to deliver more than 120 million meals to feed local communities. Our Holidays Without Hunger event remains the biggest and most exciting event of the year, bringing together people from all walks of life to make a tangible difference.

- ♥ Hunger is a silent epidemic affecting millions of people in the United States and tens of thousands in our community.
- ♥ More than 90,000 students in Lee and Collier counties rely on free and reduced school lunches.
- ♥ There is an increasing number of seniors and veterans struggling with food insecurity.
- ♥ Meals of Hope packs seven meals, all fortified with protein and 21 vitamins and minerals.
- ♥ Each bag provides at least six meals and costs less than .40 cents per meal.
- ♥ More than 120 partner agencies in Southwest Florida distribute Meals of Hope meals to people in need.

Meals of Hope events go beyond meal packing — they bring communities together for a greater purpose. These lively and inspiring events not only provide essential nourishment but also build a spirit of service and togetherness. Participants leave energized, motivated, and ready to continue contributing to the betterment of their communities.

Due to overwhelming response, each year we turn away volunteers eager to make our Holidays Without Hunger event part of their annual celebrations. We need financial support from people like you to make this all possible. Please consider sponsoring a packing team to help us reach our goal of 500,000 meals this year and make this event the best yet.

Be part of a growing solution and experience the power of collective action. Together, we can achieve remarkable things and transform our community, one meal at a time.

Sincerely,
President & CEO
